

Cross border at Detroit / Windsor

If crossing the border at Detroit then jump on highway 401 in Windsor and drive all the way to north Toronto and head north on highway 400.

You will drive all the way to the city of Barrie. Just north of Barrie highway 400 ends. It splits into highway 69 and highway 11. Take highway 69 north to Sudbury. Make sure you fill up your gas tank at the first gas station you see because there are very few gas stations and coffee shops on this road.

Just before you reach Sudbury take highway 17 west. Highway 17 is also called the Trans Canada Highway. Take highway 17 all the way to the town of Thessalon.

Then go north on highway 129. Have your camera ready because the scenery on this road is gorgeous. You take 129 north towards Chapleau. About 5 miles before

you get to Chapleau take highway 101 west.

Drive about 35 miles on 101 and then take highway 651 north. Highway 651 goes to Missanabie but you will not go that far. Drive north on 651 and about 30 miles and you will see a Murray Lake Cottages sign. Turn left on that road and drive to camp. If you end up in Missanabie you have gone 5 miles too far.
